

## Instructors for Scientific Investigation Club

Pope Paul VI College invites service providers to submit a quotation for the following service:

- designing and teaching a scientific investigation course consisted of ten after-school lessons in 2021-2022 for selected junior form students. Each of the lessons is 1.25 hours long.  
(The materials and apparatus needed will be purchased by the school.)

The service provider should hold a valid Business Registration Certificate. Interested parties are invited to send an email titled "Application for the provision of S.I. Club tutoring services" to

[recruit01@ppaulvi.edu.hk](mailto:recruit01@ppaulvi.edu.hk) before 8 September 2021. The following should be included:

- Expected service fees
- Curriculum vitae of the tutor

Personal data collected will be used for selecting the service provider only.
